Program

Monday, August 24, 2015

9:00-9:15

Opening

Jaelson Castro, Sotirios Liaskos

9:15-10:30

Keynote 1:

Chair Xavier Franch

Elicitation Awareness in Conceptual Modeling: The Role of Transparency

[Julio Leite – PUC-Rio, Brazil](#)

10:30-11:00

Break

11:00-12:30

Technical Session 1

Chair Jennifer Horkoff

Goal Modeling Education with GRL: Experience Report

[Daniel Amyot - University of Ottawa, Canada](#)

Exploiting Online Discussions in Collaborative Distributed Requirements Engineering

Itzel Morales-Ramirez - *Fondazione Bruno Kessler, Italy*

Matthieu Vergne - *Fondazione Bruno Kessler, Italy*

Mirko Morandini - *Fondazione Bruno Kessler, Italy*

[Anna Perini - Fondazione Bruno Kessler, Italy](#)

[Angelo Susi - Fondazione Bruno Kessler, Italy](#)

Implementing GPI, a language for Organizational Alignment

[Henrique Prado Sousa - Pontifícia Universidade Católica do Rio de Janeiro, Brazil](#)

Julio Leite - *Pontifícia Universidade Católica do Rio de Janeiro, Brazil*

12:30-14:00

Lunch

14:00-15:30

Technical Session 2

Chair Anna Perini

Using Roles for OSS Adoption Strategy Models

Dolors Costal - *Universitat Politècnica de Catalunya, Spain*

Lidia Lopez - *Universitat Politècnica de Catalunya, Spain*

[Xavier Franch - Universitat Politècnica de Catalunya, Spain](#)

An Initial Approach to Reuse Non-Functional Requirements Knowledge

[Rodrigo Veleda - York University, Canada](#)

Luiz Marcio Cysneiros - *York University, Canada*

Towards the Unknown Impacts of Organizational Changes on Socio-technical Systems

[Marilia Guterres Ferreira - Pontifícia Universidade Católica do Rio de Janeiro, Brazil](#)

Julio Leite - Pontifícia Universidade Católica do Rio de Janeiro, Brazil

Neil Maiden - City University London, UK

15:30-16:00

Break

16:00-17:30

Keynote 2

Chair John Mylopoulos

i* in the age of disruptive digital transformation

[Eric Yu – University of Toronto, Canada](#)

Tuesday, August 25, 2015

9:00-10:30

Technical Session 3

Chair Paolo Giorgini

Supporting Creative RE with i*

[Jennifer Horkoff - City University, UK](#)

Neil Maiden - City University, UK

iStar in Practice: On the identification of reusable SD Context Models Elements

Karina Abad - Universidad de Cuenca, Ecuador

[Juan Pablo Carvallo - Universidad de Cuenca](#)

Catalina Peña - Universidad de Cuenca, Ecuador

A Holistic Approach to Attack Modeling and Analysis

[Tong Li - University of Trento, Italy](#)

Jennifer Horkoff - City University, UK

Kristian Beckers - Technische Universität München, Germany

Elda Paja - University of Trento, Italy

John Mylopoulos - University of Toronto, Canada

10:30-11:00

Break

11:00-12:30

Technical Session 4

Chair Juan Pablo

Modeling the monitoring and adaptation of context-sensitive systems

Jéssyka Vilela - Universidade Federal de Pernambuco, Brazil

[Jaelson Castro - Universidade Federal de Pernambuco, Brazil](#)

A Textual Syntax with Tool Support for the Goal-oriented Requirement Language

[Vahdat Abdelzad - University of Ottawa, Canada](#)

Daniel Amyot - University of Ottawa, Canada

Sanaa A. Alwidian - University of Ottawa, Canada

Timothy Lethbridge - University of Ottawa, Canada

Using i* for Transformational Creativity in Requirements Engineering

Sushma Rayasam - University of Cincinnati, USA

[Nan Niu - University of Cincinnati, USA](#)

12:30-14:00

Lunch

14:00-15:30

Technical Session 5

Chair Sotirios Liaskos

Analyzing second order dependencies in i*

[Mohammad Hossein Danesh - University of Toronto, Canada](#)

Eric Yu - University of Toronto, Canada

GRL for Representing the Sustainability Reference Model (SHORT PRESENTATION)

[Birgit Penzenstadler - California State University Long Beach, USA](#)

Making Means-End-Maps Workable for Recommending Teaching Methods (SHORT PRESENTATION)

Michael Koch - Coburg University of Applied Sciences and Arts, Germany

[Dieter Landes - Coburg University of Applied Sciences and Arts, Germany](#)

Designing adaptive systems (SHORT PRESENTATION)

João Pimentel - Universidade Federal de Pernambuco, Brazil

[Jaelson Castro - Universidade Federal de Pernambuco, Brazil](#)

15:30-16:00 Break

16:00-17:15 **PANEL: On the use and dissemination of the (ongoing) i* standard**

Chair Xavier Franch

[Eric Yu - University of Toronto, Canada](#)

[Jennifer Horkoff - City University, UK](#)

[Daniel Amyot - University of Ottawa, Canada](#)

17:15-17:30 Closing discussion

iStar 2015 Organizers

Last Update: 08/13/15
